

AMK-5312

AXS Shrouded Bracket

SMARTOBM
AIRTEC

The AXS Shrouded Bracket is made from durable stainless steel, offering corrosion resistance and long-lasting performance even in tough conditions. Its compact size makes it easier to install on the back of the cab or on trailers, providing a more streamlined and efficient mounting solution.

Designed to withstand Australia's harsh environment, this bracket offers reliable protection for your AXS unit.

*AXS not included.
