

AMK-5314

AXS Large Shrouded Bracket Retrofit Pack

SMARTOBM
AIRTEC

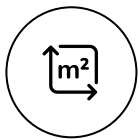

Constructed from durable, corrosion-resistant stainless steel, this bracket provides a simple retrofit solution for older AXM and AXL series truck scales. Designed for mounting on the back of the cab or dolly, it offers strong protection for your AXS unit—keeping it secure, weather-resistant, and easily accessible.

This pack also includes essential accessories such as elbow power fittings, elbow air fittings, and conduit, ensuring a complete, ready-to-install solution for optimal performance and convenience.

*AXS not included

Features

Large Bracket Design

Dimensions
146(W) x 132(H) x
102(D) mm

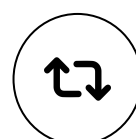

Durable Protection

Rugged stainless steel bracket for protection in harsh environments.

Easy Installation

Rear Mount: Drill and fit 4 x M5 Screws.
Bottom Mount: Drill and fit 4 x M8 Screws.

Sustainable Design
